

We're delighted that you're interested in becoming a member! Here's how to do it:

1. Just start showing up! Open meetings are every Tuesday night starting at 7:00 PM at the downtown space in the Sun Center, 101 SE 2nd place.
- Gainesville Hackerspace is a community more than a service organization. Join the facebook group, mailing list, meetup.. and just show up when things are happening.
- Introduce yourself on the mailing list, tell us what you're into.

2. Tell us a little bit about yourself. Most of this information is pretty self-explanatory. We use a username for some internal systems; if you're interested, you can also get mail forwarded from *username@skillhouse.org*.
